

**Serge is looking for local families to host visiting missionaries.  
We have several opportunities:**

- When potential candidates visit Sun - Friday for our training sessions during March, May, July, September and December.
- When returning or departing missionaries or interns visit for 1-2 days of meetings.

We ask our hosts to provide a bed, bathroom access and an occasional meal or two. Please let us know your room availability and if you have any pets, for allergy considerations. Serge provides transportation.

If you would be interested in finding out more details about hosting, please contact Ginny at Serge in Jenkintown, PA.
