

Change in Children's Ministry Protocols

Friends,

We continue to monitor the spread of the Delta variant, consider local guidelines, and listen to many of you. We have concluded it best, for now, to make the following change effective immediately:

Starting this Sunday, masks will be required at all indoor children's ministry (Birth-5th grade) events. This includes anyone in the Children's wing (volunteers and children) on Sunday mornings and Kids' Clubs.

We will **continue to recommend health guidelines but not require masks** in most areas of church life including corporate worship, small groups, and youth groups. Please continue to ask the Lord to help us all know what it means to honor him and love others in our actions, attitudes, and words.

Friends, this is a very fluid situation and we will continue to evaluate all decisions as we go and shift as needed. We encourage you to reach out with any feedback you may have by emailing newlife@newlifedresher.org.

We, of course, are praying for you as we know many of you are facing challenging decisions.

By His Grace,

Anthony Gammage
