Dave Shive: “Discipling Believers into Missions”. Dave has spent the past 50 years in fulltime ministry as a pastor, Christian school director, college professor, and missions consultant. Since 2008, he and wife Kathy have served as full time mission mobilizers for Frontier Ventures based in Pasadena, CA. Dave has taught for nearly 40 years in the Perspectives missions course and is the author of **Night Shift**, released in April 2001, a biblical explanation in easily understood terms of how God uses affliction and hardship to prepare His children for wider and greater usefulness to Him. Dave and Kathy have 3 children and are the proud grandparents of 11 grandchildren.

Matt Cummings: “Messages from the Field”. Matt serves as a missionary to Japan from WEC International. He and his family have been in church-planting there since 2013. He grew up in Japan as the son of missionaries and spent the middle part of his life teaching and doing various ministry in Philadelphia. After finding joy in sharing Jesus with the unreached, he felt God’s call to return to Japan. Matt enjoys playing and watching sports of all kinds and a good, inspiring biography. He and his wife Annette are blessed with 5 wonderful children.
