We are in the heart of Ambler, in the First Presbyterian Church of Ambler. We are a NEW school (began in Sept 2021) that is growing and serving our community. We are licensed by the Pa Department of Human Services and a STARS 2 school. We are expecting 67 children in September and will cap at 70. We are a mission of the church so we integrate a love for Jesus throughout the day by teaching the children how to pray, how to be kind to other and to learn about the Bible with lessons by our Pastor, twice a month. The children have music once a week with a music teacher and movement with a yoga teacher, twice a month.

Our curriculum for the Pre-K is based on Learning without Tears and Wilson's Foundations.

We base all our lesson on the Pa State Standards of Early Learning.
